sas THE POWER TO KNOW.

System Requirements

WESLEYAN UNIVERSITY

Your system must meet these **requirements for SAS OnDemand for Academics** to be fully supported.

Operating systems

Microsoft Windows 7 Home Premium and above (32-bit or 64 bit).

Microsoft Windows Vista Home Premium (32-bit or 64 bit).

Microsoft Windows XP Professional.

Other versions of Microsoft Windows Vista might work, but have not been fully tested and are not supported by SAS.

Macintosh operating systems are not supported

- Internet browser **Microsoft Internet Explorer 8 or earlier**. Other Internet browsers might work but have not been fully tested and are not supported by SAS.
- **Approximately 80 MB of free hard disk space**. You will be prompted to install Microsoft .NET if it is not on your machine. This requires additional disk space.
